Forecast For Wales
Issued by Met Office Exeter
at 1600 on Tuesday 06 Apr 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cold with showers tonight, more settled on Wednesday.

This Evening and Tonight:
Frequent wintry showers will gradually become restricted to northern and western coasts this evening, leaving the rest of the country dry and clear overnight. Turning cold under the clear skies with a widespread frost developing. Windy but easing later. Minimum temperature -1 deg C (30 deg F).

Wednesday:
Cold start with a mix of cloud and sunny spells across the country. Apart from a few wintry showers, remaining mostly dry until some patchy rain arrives in the evening. Maximum temperature 8 deg C (46 deg F).

Outlook for Thursday to Saturday:
Often cloudy on Thursday with scattered showers. Cloudy and damp on Friday, but perhaps brighter with wintry showers later in the north. Feeling cold Saturday, with wintry showers throughout.
